2. It is not in dispute that Survey No.930 in Vellaiyanai Village has been classified as “river”. It is stated that in Survey No.948, a temple which is 300 years old is in existence. It is well settled that if such a temple was in existence before August 1947, it cannot be disturbed. Be that as it may, the learned counsel for the private respondents states that on the full moon of Aippasi and Shivaratri, Annathanam will be conducted and in connection with the said event, a temporary structure will be put up. It is further undertaken that the said temporary structure will be put up only for two days and then it will be dismantled.

3. We direct the authorities to ensure that the said undertaking is honoured in letter and spirit. The Writ Petition is disposed of accordingly. No costs.
