Having heard the learned counsel appearing on behalf of the petitioner and upon perusing the information obtained under the Right to Information Act, 2005, the crucial question that arises for determination is that the petitioner asserts that, in respect of every other contractor throughout India, for the second, third, and fourth years of maintenance under the identical model contract (Clause 14.1.1), the total percentage granted is 1.5% for the first year and 2% each for the second, third, and fourth years, aggregating to 7.5%. However, the petitioner alone has been singled out, and the clause has been interpreted as providing 1.5% for the first year and a total of 2% for the second, third, and fourth years combined, amounting in all to 3.5%.

2. The learned Government Advocate appearing on behalf of the State authorities, as well as the Deputy Solicitor General of India appearing for the Central Government, are requested to obtain instructions in this regard.
