ORDER

(Order of the Court was made by **DR.ANITA SUMANTH, J.**)

Certification report is filed by R14 and R15. Para 7 of the report reads as follows:

“7.I submit that since the lands have undergone several changes and merges due to various factors such as the implementation of various schemes, including the Updating Registry Scheme (UDR), Town Survey and Settlement Scheme and Natham Settlement Scheme. Moreover, the records of the Temples also do not match with our records as they do not reveal the exact present survey numbers and four boundaries. Hence, the identification of the lands in this format (Annexures I to VII) could not be matched and ascertained exactly. The meaning of the Kattalai lands, details of

donated lands could not be matched. Additionally, the reorganization of districts from the former Madurai District has created challenges in correlating and identifying the current villages and survey numbers, particularly within Corporation and Municipal Towns."

2.At para 8, it is suggested that a joint comparison of records may be undertaken with the filed level staff both in the HR & CE Department and Revenue Department. Let this joint exercise be undertaken immediately. The date of meeting is fixed as 22.11.2025. The meeting will commence at 11.00 a.m., in the office of the Joint Commissioner, HR & CE Department, Madurai. Necessary records will be produced by the revenue officials on that date for comparison and for proper matching.

3.Some photographs of the entrance of the Meenakshi Amman Temple are produced to show that the renovation work has not taken note of either temple architecture or aesthetics. Let necessary instructions be obtained as to why polished granite has been laid upon the old granite and whether necessary approvals have been obtained from the Commissioner of HR & CE Department. Those documents will be produced on the next date of hearing.

4.It is also brought to our notice that cooking is undertaken near the Vinayagar Temple.

5.Mr.Bharanidharan, learned counsel, is quick to convey that there is a proposal to shift all cooking activities presently undertaken inside the temple barring the Madappalli to a location outside the temple in order that the temple premises are maintained in a pristine condition. This is to be done expeditiously and the temple will confirm how soon this exercise may be completed.

6.List on 26.11.2025 for compliance.
