ORDER

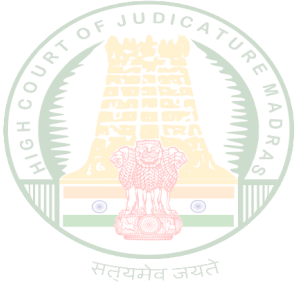

The petitioners' grievance is that, though there is adjacent land belonging to the 5th respondent, the petitioners' land has been utilized for the erection of an electrical pole to provide electricity service connection to the land of the 5th respondent.

2. In that event, the 3rd respondent is directed to conduct a survey of the land on which the electrical poles have been erected, and if it is found that adjacent land belonging to the 5th respondent is available, appropriate steps shall be taken to erect the electrical poles in the land belonging to the 5th respondent and file a status report. The survey shall be conducted in the presence of the petitioners as well as the 5th respondent.

3. For filing status report, post on **02.04.2026**.
