

Man Chand Vs. Y.S. Parmar University

CMP No. 1717 of 2026 in CWP No. 1240 of 2026

Reserved on: 16.1.2026

23.1.2026 Present: Mr Nitin Thakur, Advocate, for the petitioner.
Mr Ramesh Chand Sharma, Advocate, for the respondent.

CMP No. 1717 of 2026

The petitioner was appointed as Junior Engineer (Civil) by the respondents. The post of Assistant Engineer (Design) fell vacant in 2009. The petitioner was eligible for promotion, but he was not promoted. He filed a writ petition, which was allowed, and the respondent was directed to promote the petitioner to the post of Assistant Engineer (Design) w.e.f. 2011, along with consequential benefits. The respondents filed a Special Leave Petition, which was dismissed on 24.1.2025. The respondent promoted the petitioner w.e.f. 27.12.2011. The respondent issued the tentative seniority list in November 2025, in which the petitioner was placed at Serial No.1, and a note was appended that the petitioner had not completed the probation period. Hence, the petitioner filed the present petition seeking direction not to comply with the condition of probation. He also sought interim directions not to impose the condition of probation upon the petitioner and

not to make any promotion to the post of Executive Engineer (Design).

2. It is undisputed that the seniority was circulated in November 2025. The petitioner filed the present petition on 13.1.2026 after a lapse of more than two months. He has sought a direction not to impose the condition of probation, which is not a relief of an urgent nature. This Court, being a Vacation Bench, is only dealing with matters of an urgent nature. Since there is no urgency in the matter, hence the matter be listed before the bench, having the roster.

3. Reply, on behalf of the non-applicants/respondents, if any, be filed within three weeks, and the matter be listed along with the main matter.

CWP No. 1240 of 2026

List the matters before the appropriate Bench having a roster after the winter vacation.
