

CWP No. 2142 of 2016

24.09.2019

Present: M/s Vishal Sharma, Daleep Chand and Mohit Sharma, Advocates for the petitioner.

M/s Puroshattam Chaudhary and Sushant Vir Singh Thakur, Advocate for the respondents.

Heard for some time.

Taking into consideration the dispute, which is involved in the present petition, in my considered view, an endeavour can be made to have the matter amicably settled between the petitioner and respondent-Board. Learned Counsel for the parties submits that they are not averse to it. Accordingly, it is directed that petitioner-Association, through its authorized representative(s), shall appear before the Executive Director of the respondent-Board as and when directed by the said Authority, but positively within a period of three weeks from today, wherein an endeavour shall be made by the parties to arrive at some amicable settlement of the issue involved in the present petition. It is clarified that said endeavour to have the matter amicably settled shall be without prejudice to the respective stands taken by the parties in the present writ petition before this Court. It is further clarified that the process of mutual settlement of the dispute shall be undertaken by the parties uninfluenced of the factum of the pendency of the present petition as also the adjudication made by the statutory authorities, which are under

challenge in this writ petition. This Court hopes and expects an earnest endeavour shall be made by both the parties to resolve the dispute.

List on **11.11.2019**, as prayed for.
