3. List this matter on 17.03.2026.

5. Here, the entire tender process itself has been cancelled. The reason has also been assigned. However, the tenability of the reason will have to be examined, for which, a return from the respondents is necessary. This is not a case where *ad interim* relief should be granted and the entire process stalled. To ultimately the petitioner succeeds, appropriate orders can always be made.
