06 /20.03.2026: I.A. No. 3627 of 2026

This interlocutory application has been filed for recall of the earlier order dated 29.08.2025 passed by this Court.

2. This is a contempt application. In a contempt application, the Court has to see whether the order has been violated or not. This is not a case where the order of the Single Judge has to be executed.

3. This Court feels that for correct adjudication and come to a correct finding as to whether there was any willful violation of order of this Court or not, it is necessary to hear the contempt application only after disposal of the Letters Patent Appeal.

4. Thus, I find no ground to recall the aforesaid order.

5. The instant interlocutory application is disposed of.
