1. It appears that this writ petition has been preferred recently, i.e. in the year 2016.
2. In this context, it is pertinent to mention here that the Registry of this court should take care that in normal course the matters should be listed in their seriatim number as per the date of their filing i.e. a matter of the year 2012 should not be listed before those of the year 2011, unless interlocutory application is filed for an urgent hearing and order is passed by the court granting permission. Therefore, as per the prevailing practice, this writ petition, which has been preferred in the year 2016, can not be listed before the cases filed in the year 2015.
