as well as 8 of 1978-79. Since in the Khatiyani the name of the ancestors of the petitioner is there, the Court is not satisfied and the show cause was directed to be filed and pursuant to that the supplementary show cause has been filed by the Circle Officer, Namkum wherein in the Khatiyani is disclosed which clearly suggest the name of the ancestors of the petitioner are there and in Teriz also the name of the petitioner is there and in Exhibit -6 at page no.27 that has also been accepted by the Circle Officer, however, in the Online entry the name of some other persons are also recorded which clearly suggest that Register II is manipulated and a lame excuse is taken by the Deputy Commissioner, Ranchi that the records are not there. As he is the 2 head of the revenue department of the district and he is competent to take a decision either by reconstruction of the file or make enquiry and this is happening frequently and the Court's order was to take a decision with regard to supply of the document and a lame excuse is made and it is said that the records are not there and in view of that the said supply will not be made, the petitioner may approach the competent court and it is well settled that if a writ Court sent the matter to a particular authority to take a decision on the representation, that is required to be looked into the order and has to pass a reasoned order. Merely saying that the documents are not available, that will not be correct on the part of the contemnor.

2. In view of above, the Deputy Commissioner, Ranchi is further directed to file the show cause as to why a contempt proceeding be not initiated against the Deputy Commissioner for non-supply of the correct document to the petitioner.

3. He will do so within two weeks.

4. Let it appear after three weeks on the assigned day.

2. Thereafter the matter was taken up on 18.07.2025 and on that day, I.A. filed by the Deputy Commissioner, Ranchi was considered, and the Deputy Commissioner, Ranchi was further allowed time to file show-cause observing therein that the grievances of the petitioner shall be met out by the Deputy Commissioner in filing of the show cause and further on 07.11.2025, by way of last indulgence, at the request of the learned counsel appearing for the opposite parties, the matter was adjourned.

3. In view of the aforesaid background, Deputy Commissioner, Ranchi has left no any option with the Court and in the entire view of

the matter, issue notice to opposite parties in light of Section 393 of Jharkhand High Court Rules.

4. Let this matter appear on 19th December 2025.
