ORDER

20.01.2026

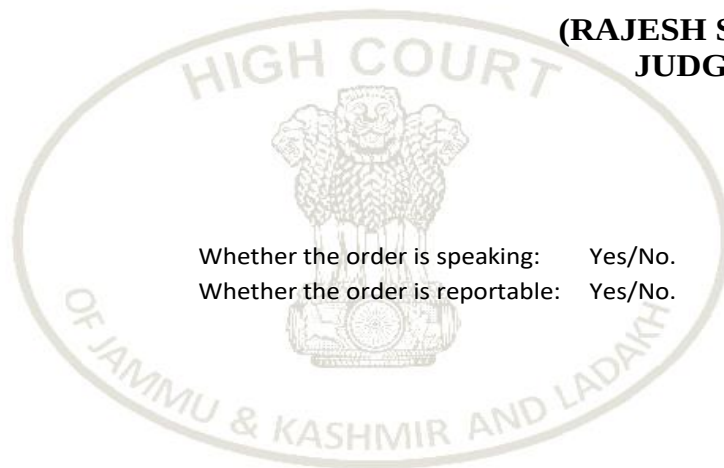

1. The petitioners having attained the age of majority have entered into wedlock out of their free will and volition. Petitioners have placed on record their respective Date of Birth Certificates, issued by the competent authorities. The petitioners, however, apprehend danger to their matrimonial life at the hands of private respondents.
2. It is trite in law that any person having attained the age of consent is entitled to marry as per his/her choice and the Government, in particular the police agency is under an obligation to protect the life of its citizens. It appears that petitioners have not approached the official respondents for indulgence in the matter.
3. Having regard to the limited nature of controversy and the relief prayed for, the present petition is admitted to hearing at its threshold and is disposed of by providing that official respondents shall look into the grievances of the petitioners for adequate security cover to

make sure that nobody is allowed to interfere in their matrimonial life, provided there is no other impediment.

4. It is made clear that this Court has not expressed any opinion about validity or authenticity of the marriage and the documents/certificates annexed with the petition and this order shall not come in the way of the police agency for investigation of FIR/criminal complaint, if any, filed against the petitioners.
5. **The writ petition is accordingly disposed of along with the connected application.**
