**ORDER**

1. Apparently, the girl seems to be a minor, however, petitioner No. 1 has placed on record the age certificate from the Higher Secondary School, in which the date of birth of the girl has been shown to be 14.11.2006, and the photograph affixed in the said certificate does not lead to an irresistible conclusion that certificate belongs to petitioner No. 1, as the same is totally blank.
2. Learned counsel for the petitioners is, therefore, directed to produce the original certificate on the next date of hearing, on which date both the petitioners shall remain present in person along with the original certificate certifying their age.
3. List in the supplementary list on 01.04.2026.
