CORAM:

HON'BLE MR. JUSTICE WASIM SADIQ NARGAL, JUDGE

ORDER
29.06.2026

CM No. 3986/2026

After perusing the averments made in the instant application, this Court finds that no good ground has been made out therein. The application is utterly misconceived, as respondent Nos. 2 & 3 seek revival/modification of the order passed way back on 20.04.2018 in OWP No. 711/2018. Further, no sufficient ground has been made out for the relief sought in the instant application. Moreover, there is no representation on behalf of the applicant/respondent Nos. 2 & 3.

Accordingly, the application, being misconceived is ***dismissed***.
