W.P.(C) No.7267 of 2022

Dated this the 25th day of February, 2025

JUDGMENT

Petitioner has approached this Court seeking adequate police protection to the petitioner and her workmen for extracting and transporting ordinary sand from her property on the strength of Exts.P3 and P4.

2. When the matter came up for consideration on 04.03.2022 this Court has directed the 2nd respondent to consider Ext.P5 complaint submitted by the petitioner and on the petitioner submitting copies of all relevant documents, the 2nd respondent shall afford necessary protection for carrying out the activities permitted by the competent authorities. A perusal of Ext.P3 permission granted by the Geologist revealed that 561 mineral transit passes have been issued for removal of ordinary earth for the period from 02.03.2022 to 11.03.2022.

As the said period is already over and an interim order was also granted, no further orders are required in this writ petition. Accordingly the writ petition is closed.
