JUDGMENT

The writ petition is filed to direct the respondents 1 to 4 to afford adequate police protection to the life and property of the petitioner from the threat of the respondents 5 and 6.

2. When the writ petition came up for consideration on 22.12.2023, this Court directed the 4th respondent to ensure that law and order is maintained in the petitioner's locality.

3. Heard; the learned counsel for the petitioner, the learned Government Pleader and the learned counsel appearing for the respondents 5 and 6.

4. The learned counsel for the respondents 5 and 6 submitted that there are civil disputes pending between the petitioner and the persons within the locality pertaining to the possession of the property. Therefore, the 4th respondent may be directed not to interfere in the civil dispute.

5. On a consideration of the facts and the materials

on record, I am of the view that a quietus can be given to the writ petition by directing the 4th respondent to ensure that law and order is maintained in the petitioner's locality without interfering the civil dispute between the parties.

With the above observation the writ petition is disposed of.
