ORDER

[RP Nos.982/2024, 976/2024, 983/2024, 987/2024]

The review petitions are filed challenging the common judgment dated 02.02.2024 in W.P.(C) Nos.29044 of 2021, 220 & 30706 of 2022 and 6022 of 2023.

2. By the judgment impugned under review, this Court took note of the fact that the entire issue was earlier considered by this Court through Ext.P13 judgment in W.P(C) No. 6022/2023 and having found that the action of the Government in granting a declaration that the enquiry proceedings were void and illegal was wrong, had only directed the continuance of enquiry proceedings from the stage from which the enquiry was vitiated.

3. Learned counsel for the petitioner argues that the petitioner had co-operated in the enquiry. It is too late in the day for the petitioner to come up with such contentions, that too in a review. Having found that the findings in Ext.P14 are wrong, the enquiry proceedings were directed to be proceeded from the stage

when the delinquent offered her explanation. Under such circumstances, I do not find any error apparent on the face of the record warranting a review. Review cannot be converted into a second hearing as it is attempted.

I do not find any merit at all and the review petitions are dismissed in limine.
