 4. Notice to issue to the respondent No. 3 within three days.
 5. The grievance of the writ petitioner is with the impugned Circular dated 26-05-2026 and impugned letter dated 01-06-2026, issued by the

respondent No. 2 whereby directions have been issued to all State Medical Councils not to register the additional qualification of Post Graduate Diploma in Clinical Cardio Physician – Non-Invasive obtained from the School of Health Sciences, IGNOU, in respect of any applicant till further communication and orders.

6. Mr. S.Sahay, learned counsel for the petitioner has submitted that this requirement which has since been imposed by the Circular dated 26-05-2026, and letter dated 01-06-2026, has adversely affected the rights of the petitioner, inasmuch as, firstly no notice was given, nor was the petitioner aware about such requirements which is contained in the said Circular. He further submits that the directives issued by the respondent No. 2 are contained in the impugned Circular dated 26-05-2026 and in the letter of the dated 21-05-2026, which require the IGNOU to place or stamp an asterix mark after the name of the qualification with endorsement on the bottom of the front page, mentioning detailed terms & conditions/restrictions on the back side or a similar suitable statement. He submits that this requirement being without jurisdiction, is liable to be interfered with by this Court. that he may be allowed to obtain necessary instructions on the matter especially on the ground that the petitioner is yet to be registered.

8. Having heard the learned counsel for the parties and on examination of the materials as placed before this Court, on the submissions of the learned counsel for the petitioner that the petitioner was not put to notice in a matter that would adversely affect his practice and impending registration, and further that the requirements in the impugned letter is only for an asterix mark to be placed and conditions to be mentioned in the overleaf, these requirements in the considered view of this Court at this stage, though appearing to be innocuous, however, would severely have an impact on the practice and proposed registration of the petitioner.

9. Accordingly, a prima facie has been made out for interference at this stage, as such, it is provided that till the next date the impugned Circular dated 26-05-2026 and impugned letter dated 01-06-2026, as far it pertains to the petitioner shall not be given effect to.
