ORDER

28.03.2025

Order No.

01.

1. The writ petition is filed assailing the decision of the Government in not granting the on-shop license to the petitioner. It appears from the impugned order that the inquiry was conducted on the basis of an objection raised by two persons, one of the objectors being the sister. So far as the objection raised by the sister is concerned, according to the counsel for the writ petitioner, the same has been turned down by this Court in an earlier round of litigation. Since the other objector is not impleaded as a party, any order would

affect his right and, therefore, he finds him as a necessary and proper party.

2. The petitioner is directed to implead the other objector in the category of opposite party herein. The petitioner is also directed to serve a copy of the writ petition upon the proposed opposite party by Speed Post and shall file affidavit of service in the department.

3. List this matter on 15th April, 2025. In the meantime, the State will take appropriate instruction.
