Order
No.23

1. For there is further endeavour in an attempt to reunion between the parties, both the husband & wife being present in Court were called for direct interaction with the Bench. In course of direct interaction with the husband and wife, it is apparent that husband is no mood of taking the wife to recommence the marital status between them despite the wife is showing her willingness to join the husband. This Court finds there is no purpose in entering into further interaction. It is better, the matter is finally heard and decided in accordance with law.

2. Matter is directed to be posted again on **23.08.2023**.
