

Santosh Biswal & Ors. **Appellants/
Petitioners**

-Versus-

State of Odisha **Respondent/
Opp. party**

10. 21.01.2021 The matter is taken up through Video Conferencing.

The first information report indicates that the victim was not aware about the names of the appellants and she has only mentioned the name of one accused i.e., Bulu Bisoi in the F.I.R. but it appears that during course of investigation, after the accused persons were taken into custody, the T.I. parade was conducted on 15.05.2013 by the learned J.M.F.C., Berhampur and that T.I. parade report has been marked as Ext.8 by the victim. The Magistrate who has conducted the T.I. parade has not been examined. When a question was posed that as to whether in absence of the examination of the Magistrate conducting the T.I. parade, the T.I. parade report would be admissible or not and what would be the evidentiary value of such T.I. parade, learned counsel for both the parties seeks some time to examine on this point.

List this matter in the week commencing from 1st February 2021.
