**ORDER
08.07.2025**

- 02.
1. The details of the minor victim girl has already been uploaded in the national portal i.e. Mission Vatsalya. Yet no trace could be established as of now. The call detail record of the suspected numbers has also been obtained from the service provider and the some friends and villagers are also under surveillance.
 2. The instruction received by the learned Additional Government Advocate for the State-opposite parties reveals all such

steps have been undertaken and there is a possibility of rescuing the child in near future. The investigating officer has prayed for a fortnight's time so that he can trace out the girl with intent to rescue from the clutches of these persons.

3. The complaint lodged by the petitioner reveals the name of the persons who according to him may have detained the minor girl illegally and wrongfully. The instruction does not indicate any steps have been taken in this regard. The investigating officer is directed to look up the matter in that angle as well so that the whereabouts of the girl can be found out.

4. Since a fortnight's time is prayed for, list this matter on 24th July, 2025 when the investigating officer shall submit a report indicating the progress having made in this regard.
