ORDER

30.04.2025

Order No.

01.

1. This matter is taken up through hybrid mode.
2. Compliance affidavit has been filed by the Opposite Party No.1 contemnor enclosing copy of the order dated 26.11.2024 passed by the Collector, Chatrapur By order dated 13.09.2024, this Court, in the connected writ application had directed the Collector to consider the case of the petitioner for absorption taking note of the inquiry report of the APO and to take a decision within a period of six weeks. The Collector has taken a decision as evident from the office order referred above.
3. Learned counsel for the petitioner submits that the order passed by the Collector is not in terms of the order passed by this Court. This Court is unable to accept such contention, since no direction was issued to absorb the petitioner, but only to consider her case for absorption. Even otherwise, the case of the petitioner

has not been turned down but she has been considered fit for absorptions in the post of Accountant-cum-Data Entry Operator on temporary basis. It is stated at the bar that because of non-availability of vacancies in the specific category to which the petitioner belongs, she has not been absorbed and as soon as vacancy arises, she will be absorbed. In such view of the matter, nothing remains to be decided in the contempt proceeding, which is therefore, dropped.
