**ORDER**

**09.10.2025**

(Hybrid Mode)

**Order No.**

**03.**

1. It is stated and agreed at the Bar by the learned counsel for the appearing parties that the issue involved in the batch of writ petitions has already been dealt with by the Hon'ble Supreme Court in **State of Odisha v. Sudhansu Shekhar Jena:2025 SCC OnLine SC 385** and the judgment dated 15.07.2025 in WA No.17 of 2023 (State of Odisha v. Krushna Chandra Mallick and another) rendered by the coordinate Bench in which one of us (M.S. Sahoo,J.) was a member.

2. In **Sudhansu Shekhar Jena** the Apex Court has observed at para-19 and 20, which are reproduced herein:

*“19. Presently, in the cases before us, and for reasons which have already given above, considering the facts and circumstances of the case, these appeals are hereby allowed.*

20. Having made the above determination, we also feel that it is our duty to bring on record the extreme carelessness and lethargic manner in which the State has been pursuing these cases, both in the High Court and before this Court. The delay caused by them is inexcusable. Nevertheless, we have heard these matters for reasons we have already stated in the preceding paragraphs in the earlier part of this judgment. All such cases, which were belatedly filed, both before the High Court in Appeal and then before this Court as Special Leave Petitions, are hereby set apart from the rest, only for the purpose of payment of costs. Consequently, in all such cases the State shall pay an amount of Rupees One Lakh Fifty Thousand, to the employee concerned. This amount shall be deposited in the account of the employees, or as the case might be, within a period of four weeks from today. This order shall not be made effective till the above amount is deposited in the account of each of such employees.”

3. The learned Additional Government Advocate refers to the Memo dated 20.08.2025 filed on behalf of the appellant-State that encloses the office letters issued by the Government giving details of sanctioned amount:

4. In view of the above noted submissions, we dispose of the writ appeals in terms of paragraph-5.8 of the judgment dated 15.07.2025 passed in WA No.17 of 2023. For convenience of reference, the said paragraph-5.8 is reproduced herein:

*“5.8. Learned Advocate General is right in telling us that Rules of the kind which provide for pensionary benefits to the employees are evolved as a matter of State Policy taking into inter alia account the purse size of the Government and other collateral factors. A lot of working experience and the lessons drawn from it enter the fray of making. It hardly needs to be reiterated that judiciary being a coordinate branch of the State has to respect the policy decisions of other organs, especially in the absence of challenge thereto, consistent with the doctrine of separation of powers which is held to be a Basic Feature of the Constitution vide **Indira Neheru Gandhi v. Raj Narain: AIR 1975 SC 2299**. The contention of employees that in terms of earlier orders, a section of them has already been given the benefit of counting full service and therefore not extending the said facility to these would be discriminatory, does not merit acceptance. Even in concluded matters, Apex Court in *Sudhansu Sekhar Jena supra* has specifically reserved liberty to the State to prefer review petitions in the matters that have been already concluded in SLP/Civil Appeals. This observation will find at Paragraph-21 of the judgment. We are told by the learned AG that such review petitions are already in the making, specific time for filing them having been fixed, by the Apex Court itself.*

*We are not unmindful of cases wherein the employees might have been granted regularization long after they were due for it. There may be cases wherein with the judicial intervention the dates of regularization of service are altered to the advantage of employees. What would happen to such cases, has not been discussed by us, since that is not the pleaded case before us in these appeals.*

*In the above circumstances, these appeals having common law and facts are allowed; the impugned orders of the learned Single Judges are set at naught; the writ petitions filed by the respondent-employees are dismissed. Costs made easy."*

5. The writ appeals are allowed and disposed of accordingly.

No costs.

Copy of this order disposing of the individual appeal shall be placed in each of the records of the appeal memo.
