Mubarikpur, Dera Bassi, District SAS Nagar (Mohali);

- f. Direction to respondents from entering upon the land and installing electricity infrastructure.

2. The petitioner is a resident of Chandigarh and owner of subjected land. He is running a brick kiln business on the subjected land under the name and style of Kuldeep Singh & Bros. A 66KV electricity grid already exists adjacent to his land. The respondents without initiating land acquisition process, survey, issuing notice, obtaining his consent or paying compensation have installed grid infrastructure on the subjected land.
