for the petitioner.

for respondents no.1 to 3 and 6-PGI.

KULDEEP TIWARI, J.(Oral)

1. The instant writ petition impugns the order dated 02.02.2026 (Annexure P-10), passed by the respondent No.1-Vice Chancellor, Pt. B.D. Sharma University of Health Sciences, whereby, acting upon the recommendations of the Board of Discipline, the petitioner, has been expelled with immediate effect and has been debarred from re-admission in respondent-university or the college/institution (respondent no.5). She also seeks a direction upon the respondents to declare the result of subject no.4, i.e. Forensic Medicine and Toxicology of 3rd Professional, Part-1 of MBBS, which has been withheld by respondent no.1.

2. Assailing the impugned order, learned counsel for the petitioner contends that the same is vitiated by a patent violation of the principles of

natural justice and is, on this ground alone, liable to be set aside. It is submitted that prior to the passing of the impugned order, the Vice Chancellor neither afforded the petitioner an opportunity of personal hearing, nor supplied her with a copy of the recommendations of the Board of Discipline, thereby depriving her of an effective opportunity to submit a comprehensive response.

3. On merits as well, learned counsel for the petitioner contends that there exists no cogent, reliable, or legally sustainable evidence establishing the petitioner's involvement in the alleged misconduct. It is further submitted that the penalty of expulsion, being the severest punishment, is grossly disproportionate to the allegations and the material on record.

4. *Per contra*, learned senior counsel appearing for the respondents No.1 to 3 and 6, having received an advance copy of the writ petition, vehemently opposes the submissions advanced on behalf of the petitioner and defends the impugned order. It is contended that a large-scale examination scam had surfaced and was inquired into in a transparent and unbiased manner. A Fact-Finding Inquiry Committee was initially constituted, and on the basis of its detailed report, a Board of Discipline was subsequently constituted in terms of Clause 7(1)(a) of the Ordinance on Maintenance of Discipline among Students (hereinafter referred to as "the Ordinance"). The Board of Discipline afforded the petitioner and other concerned students an opportunity to file written responses, as well as personal hearings, and only thereafter, the recommendation was made, which constituted the bedrock for imposition of the penalty of expulsion under Clause 4 of the Ordinance.

5. Learned senior counsel further submits that the instant writ petition has been filed with the oblique motive of obstructing the ongoing

criminal prosecution arising out of FIR No.25 dated 15.02.2025, registered under Sections 409, 420, 467, 468, 471 and 120-B of the IPC and Sections 7A and 13 of the Prevention of Corruption Act, against one Roshan Lal, clerical staff, and 24 students (including the petitioner).

6. Before adverting to the rival submissions and examining the legality of the impugned order, it is deemed imperative to recapitulate the relevant factual matrix giving rise to the present proceedings.

7. The University received a complaint alleging large-scale irregularities in the conduct and evaluation of M.B.B.S. examinations. Consequently, a Preliminary Inquiry Committee was constituted, which submitted its detailed report on 13.02.2025, highlighting grave irregularities in the answer sheets of 30 students, including the petitioner. The key findings penned down therein were: (i) mismatch between serial numbers of answer books used by candidates and official records; (ii) strong indications of substitution or interchange of answer sheets; and (iii) tracing of a list of 46 missing blank answer sheets, raising concern that the same were illicitly used in the scam.

8. On the basis of the report (*supra*) and in exercise of powers under Clause 7(1)(a) of the Ordinance, the Vice Chancellor constituted a Board of Discipline to initiate disciplinary proceedings. The said Board conducted a detailed inquiry and summoned all 30 students. While 26 students asserted that the handwriting on their answer sheets was their own, 04 students acknowledged that some answer sheets did not contain their handwriting. To ascertain the authenticity of the disputed scripts, the assistance of a Government-approved Handwriting Expert was taken, who in his report dated

CWP-14738-2026

28.07.2025, opined that the handwriting on the disputed answer sheets attributed to the petitioner did not match his admitted specimen handwriting. Accordingly, a show cause notice dated 03.10.2025 was issued to the petitioner under Clause 3(1)(s) read with Clause 4(f) of the Ordinance, calling upon her to explain why the penalty of expulsion be not imposed. The petitioner submitted a written reply and was afforded a personal hearing before the Board of Discipline. The relevant material was also made available to her. Upon consideration of the reply and the gravity of the allegations, the Board (*supra*) recommended imposition of the maximum penalty and referred the matter to the Vice Chancellor. The Vice Chancellor, upon examining the entire record, accepted the recommendation and passed the impugned order.

9. At this stage, it is also deemed apt to make a survey of some relevant Clauses of the Ordinance. Clause 2 vests with the Vice Chancellor, the powers relating to maintenance and enforcement of discipline and disciplinary action among students. Clause 3 enumerates acts of indiscipline and misconduct, and sub-clause 1(s) thereof, specifically spells out that indulging in, or encouraging any form of disruptive activity connected with tests, examinations or any other activity of the University, or the College or the Institution, amounts to acts of indiscipline and misconduct on the part of a student. Clause 4 prescribes the penalties that may be imposed for breach of discipline. Clause 7 provides for the constitution of Board of Discipline by the Vice Chancellor and composition thereof, while Clause 8 delineates the functions of the Board of Discipline. The relevant portion of the Regulations (*supra*) is extracted hereunder:-

- (3) A student or students who are aggrieved with the penalty imposed upon them, may appeal to the Vice-Chancellor whose decision in this*

regard shall be final and binding on the parties.”

10. Upon a studied survey of the record, this Court is of the considered view that although the proceedings before the Board of Discipline were conducted in accordance with the procedure prescribed under the Ordinance, the impugned order passed by the Vice Chancellor stands vitiated for non-compliance with the principles of natural justice. The Vice Chancellor, without affording the petitioner any opportunity of hearing and without furnishing a copy of the recommendations of the Board of Discipline, proceeded to pass the impugned order solely on the basis of the record and the recommendations placed before him.

11. In the considered opinion of this Court, the petitioner ought to have been supplied with a copy of the recommendations of the Board of Discipline and afforded an opportunity to submit her objections thereto, followed by a personal hearing, prior to the passing of any adverse order. The failure to do so renders the impugned order legally unsustainable.

12. Though the allegations against the petitioner are undoubtedly grave, the same cannot obviate the requirement of adherence to the principles of natural justice, compliance wherewith, is a *sine qua non* before passing any adverse order. Accordingly, the **impugned order is set aside**, and the **writ petition is disposed of** with the following directions:-

(a) The petitioner shall appear before the Vice Chancellor on 18.05.2026 at 11:00 a.m., whereupon, the latter shall furnish a complete copy of the recommendations of the Board of Discipline to her, against proper acknowledgment. It is clarified that all relevant documents have already been supplied by the Board of

Discipline to the petitioner, as recorded in the impugned order and not disputed before this Court.

(b) The petitioner shall, within seven days from the date of receipt of the recommendations, file his objections thereto, including her plea regarding proportionality of punishment. Thereafter, the Vice Chancellor shall afford the petitioner an opportunity of personal hearing and pass a fresh order in accordance with law.

13. It is made clear that any observations made herein, are confined solely to the issue of compliance with the principles of natural justice, and shall not be construed as an expression of opinion on the merits of the case.
