...PETITIONER(S)

VERSUS

STATE OF PUNJAB

...RESPONDENT(S)

CORAM: HON'BLE MR. JUSTICE N.S.SHEKHAWAT

Present: Mr. J.S. Grewal, Advocate
for the petitioner.

Mr. M.S. Bajwa, DAG, Punjab.

N.S. SHEKHAWAT, J.

The petitioner has filed the present revision petition against the order dated 14.10.2019 passed by the Court of Additional District & Sessions Judge, Ropar, whereby an application, moved by him for getting his DNA examination conducted, was ordered to be dismissed.

The matter was taken up by this Court on 15.01.2020 and the State was directed to file an application detailing therein as to whether samples, which had been sent to FSL, were still in existence or stood destroyed.

In compliance of the above-said order dated 15.01.2020 passed by this Court, an affidavit has been filed by DSP, Anandpur Sahib and in the said affidavit, it was informed that three vaginal swabs pertaining to this case had been consumed during examination by the Chemical Examiner.

In view of the aforesaid stand taken by the State of Punjab, it would not be possible to conduct the DNA examination in the present case. Consequently, the present petition deserves to be dismissed and accordingly, the same is dismissed.

However, it is clarified that the petitioner would be at liberty to raise all the pleas available to him before the trial Court at an appropriate stage.
