07.08.2024, 15.01.2025 (Annexures P-33 to P-34 respectively) to the petitioners by adjusting them in the same department.

Brief facts

The petitioners are contractual Group 'D' (Multi Skill Worker) employees engaged through outsourcing and later brought under the Haryana Kaushal Rozgar Nigam Limited (HKRNL) pursuant to the Deployment Policy, 2022. They have been continuously working since 2018–2019, possess requisite qualifications under the Haryana Group D Employees (Recruitment and Conditions of Service) Act, 2018, and were duly issued deployment letters and experience certificates certifying continuity of service.

Despite amendments to the Deployment Policy retaining clauses mandating adjustment of contractual employees against available vacancies, and despite subsequent policy instructions dated 7.8.2024 and 15.1.2025 expressly prohibiting relieving of Group 'D' employees where vacancies exist, the petitioners were relieved by the Irrigation Department by applying the principle of "First In First Out". This action was taken even though similarly situated junior contractual employees were retained, and despite the advent of the Haryana Contractual Employees (Security of Service) Act, 2024, which provides protection to contractual employees completing five years of service. The present writ petition is thus filed seeking adjustment of the petitioners against available vacant Group 'D' posts and protection of their livelihood in accordance with the governing policies and statutory framework.

Contentions

On behalf of the petitioner(s)

It is the case of the petitioner(s) that their relieving orders issued by the respondent/State are arbitrary and discriminatory, as they were issued notwithstanding the admitted availability of vacant Group 'D' posts in the Irrigation and other respective Departments, and further vacancies arising due to promotions of existing Group 'D' employees. The respondents' own correspondence dated 03.02.2025 (Annexure P-37) and 13.02.2025 (Annexure P-38) acknowledges these vacancies and past policy directions require retention and adjustment of contractual employees against such posts.

Learned counsel for the petitioner has further submitted that although the services of the petitioners have been brought to an end, the functional requirement for the posts held by them subsists. Notably, even subsequent to such termination, the State has not initiated any process for filling up the concerned Group 'D' posts by way of regular recruitment. The counsel has argued that this circumstance gives rise to a legitimate doubt that the existing petitioners may be replaced by another set of contractual employees, a course of action which would be impermissible in law.

Furthermore, it is argued that the impugned terminations have been effected under circumstances to prevent the petitioners from completing the requisite period of five years' service, thereby disentitling them from the statutory protection contemplated under the Haryana Contractual Employees

(Security of Service) Act, 2024 causing serious prejudice and injustice to the petitioners.

Notice of motion was issued with interim direction to the effect of taking back into service and in some writ petitions to release the pending wages of the petitioners.

The learned Advocate General, Haryana, having appeared before this Court today to render assistance in the matter, has, undertaken assuring that the impugned relieving orders by which the services of the petitioners were dispensed with shall be withdrawn and they will be allowed to continue till a fresh decision is taken. It has further been stated that the State shall undertake a fresh consideration of the matter by examining the case of each petitioner independently and shall pass appropriate orders in accordance with law.

With regard to another issue concerning entitlement of the petitioners to minimum wages in writ petitions wherever such relief has been sought, it has been stated that this issue shall also be revisited and decided afresh strictly in consonance with law and statutory provisions.

Conclusion

The respective counsel for the petitioner(s) are also ad idem to the stand taken by learned Advocate General and have shown satisfaction, therefore, they do not wish to press the instant petition(s) any further.
