Learned counsel for the petitioner does not want to press instant criminal misc. bail application at this stage, however, seeks liberty for the petitioner to review his prayer for bail after recording statement of Seizure Officer before learned trial court. It is further prayed that learned trial court may be directed to record statement of the Seizure Officer expeditiously.

Hence, instant criminal misc. bail application stands dismissed as not pressed with liberty as prayed for.

However, it is expected from learned trial court to record statement of the Seizure Officer on priority basis.
