Order

20/01/2026

1. An application has been preferred on behalf of the appellant seeking deletion of the defect pointed out by the Registry. It is contended therein that the case in question also pertains to accusations attracting the penal provisions of the Scheduled Castes and Scheduled Tribes (Prevention of Atrocities) Act, though such incorporation has inadvertently not been made by the learned Additional Sessions Judge.

2. I have gone through the allegations contained in paragraph No.5 of the impugned order as well as the averments made in FIR No.102/2025 and feels that the factual matrix discloses the commission of offences punishable under the provisions of the SC/ST Act as well. In such circumstances, an order passed by the

Special Judge in matters arising under the SC/ST Act is amenable to challenge only by way of an appeal under Section 14 of the SC/ST Act.

3. In view thereof, the defect pointed out by the Registry be ignored. The present matter being an appeal, the Registry is directed to list the same before the appropriate Bench in accordance with law.

4. The application stands disposed of accordingly.
