It is submitted by learned counsel for the petitioners that the petitioners produced experience certificates of having worked as

Senior Laboratory Treatment Supervisor (SLTS) with RNTPC, however, the respondents have not awarded the bonus marks to the petitioners for the experience based on the said certificates.

It is submitted that on previous occasions, by order dated 11.3.2013 (Annex.11), the respondents have specifically indicated that those who were working as Senior Laboratory Treatment Supervisor, they be treated to have qualification equivalent to Lab Technician and as such the denial of bonus marks to the petitioners in this regard, is not justified.

In view of the submissions made, issue notice. Issue notice of the stay application also.

In the meanwhile and till further orders, the respondents are directed to treat the petitioners as eligible in terms of the order dated 11.3.2013 (Annex.11) and, in case, they fall in merit, to proceed accordingly.

However, the said exercise shall remain subject to the final outcome of the present writ petition.
