Order

15/07/2025

Aggrieved by the order dated 08th February 2017 passed in S.B. Civil Writ Petition No.6764 of 2009 filed by Bhanwar Lal with S.B. Civil Writ Petition No.1563 of 2010 filed by the Development Officer, Panchayat Samiti, this Special Appeal has been filed by the State of Rajasthan primarily aggrieved with the decision rendered by the writ Court in the writ petition filed by Bhanwar Lal to the effect that the said employee has been directed to be given salary of a regular employee.

2. In the first place, we would indicate that against an award passed by the inferior Tribunal, the scope of judicial review is very

limited and the writ Court shall not interfere with the award unless it is demonstrated before the Court that the award suffered from patent illegality. As we gather on a glance at the order dated 08th February 2017, an award was made on 28th March 1997 in favour of the writ petitioner wherein it was held that he was entitled for continuity in service with all consequential benefits. The writ Court has also noticed that a similarly situated Pump Driver, namely, Mahboob Khan was reinstated in service but the writ petitioner was not accorded a similar benefit. Moreover, a statement was made on behalf of Development Officer that the entire amount of back wages was paid to the writ petitioner and only Rs.50,000/- remained due and unpaid to him.

3. In view of the aforesaid fact, we are not inclined to entertain D.B. Special Appeal Writ No.683 of 2017 which is, accordingly, dismissed.
