Heard.

A preliminary objection regarding the maintainability of the petition has been raised on the ground that though reliefs sought for in the writ petition for conducting high level enquiry in the matter of grant of leases from Annexures 5 to 25 and also declaration that the leases be declared void ab initio and the possession may be taken back, however, the lease holders have not been made party.

The objection regarding the maintainability of the petition is relevant. The reliefs sought for in the writ petition are against the

leases, which have been granted in favour of the number of persons, which are Annexures 5 to 25, yet the petitioner has filed this petition without imploding the lease holders as party.

The petition is liable to be dismissed for non-joinder of necessary party.

Therefore, it is directed that if the petitioner intends to continue the petition, he may implead the lease-holder within a period of one week, failing which the petition shall stand automatically dismissed without further reference to the Bench.
