HON'BLE MS. JUSTICE REKHA BORANA

Order

13/02/2026

1. The only ground raised by counsel for the petitioner is that the petitioner-institute is not able to satisfy the decree only for the reason that the bank account of the petitioner-institute is being controlled and operated by respondent Nos.2 and 3 authorities.
2. Counsel submits that if the petitioner-institute is permitted to operate the said bank account, it would definitely satisfy the decree.

3. Learned Additional Advocate General appearing for respondent Nos.2 and 3 prays for time to complete his instructions:

firstly, as to whether the bank account of the petitioner-institute is under the control of the respondent authorities or not?;

secondly, whether the respondent authorities are ready to permit the petitioner-institute to operate the bank account for the sole purpose to satisfy the decree in question?;

thirdly, if yes, whether there is sufficient amount available in the bank account of the petitioner-institute so as to satisfy the decree?

4. List on 23.02.2026.

5. However, it is made clear that if it is found that the amount in the petitioner-institute's bank account is not sufficient so as to satisfy the decree, learned executing Court shall be at liberty to pass appropriate orders to ensure the execution of the decree to the extent of the petitioner-institute.
