By way of filing the present civil writ petition under Article 226 of the Constitution of India, the petitioner has prayed for the following reliefs:-

"It is, therefore, most humbly and respectfully prayed that this writ petition may kindly be allowed and by an appropriate writ, order or direction:

(i) The respondents may kindly be directed to provide police force to the petitioner to install the Cable line of 33 KV at Khasra no. 169 at Village Huldhani, Tehsil Parbatsar, District Deedwana-Kuchaman.

(ii) The District Collector Deedwana-Kuchaman may kindly be directed to compliance order/communication dated 28.01.2026 (Annex-11)

(iii) Any other appropriate writ, order or direction which this Hon'ble Court deems just and proper may kindly be passed in favour of the petitioner."

2. Learned counsel for the petitioner submits that despite repeated requests made by the Tehsildar and the Sub-Divisional

Officer, Parbatsar, to the police authorities for providing protection to the petitioner-firm, no effective action has been taken. The police protection is required to enable implementation of the contract awarded to the petitioner for erection of a 33 KV, 3-phase transmission line for inter-connection between the site of the new solar power plant (PM-KUSUM Component) of M/s Suktul Solar Power Plant Private Limited and the 33/11 KV Sub-Station, Huldhani, with a capacity of 2.57 MW.

3. Learned counsel further submits that due to the non-responsive attitude of the police authorities, despite requests made by the SDO and the Tehsildar, Parbatsar, an important public utility project is being obstructed by the villagers of Village Huldhani.

4. Having considered the arguments advanced and the facts and circumstances of the case, this Court deems it just and proper to dispose of the present writ petition with a direction to respondent No.1 to look into the matter and issue necessary instructions to ensure that the work order issued in favour of the petitioner-firm for erection of the 33 KV, 3-phase transmission line for inter-connection between the new solar power plant (PM-KUSUM Component) of M/s Suktul Solar Power Plant Private Limited and the 33/11 KV Sub-Station, Huldhani (2.57 MW) is implemented smoothly and without obstruction.

5. With the aforesaid directions, the present civil writ petition as well as the stay application stand disposed of.
