Order

28/05/2025

Pursuant to the order dated 21st March 2024, an affidavit has been filed by the Registrar (Judicial).

2. We have gone through the affidavit dated 03rd May 2024 and find that the affidavit so filed by the Registrar (Judicial) does not address the issue of non-listing of the cases notwithstanding a direction of the Court on judicial side. This affidavit simply gives details of the number of cases received and processed in the cause-list section and points out certain difficulties on account of which few cases as noticed by a learned Single Judge of this Court in the order dated 22nd February 2024 were not listed on that day, more particularly, S.B. Criminal Misc. Bail Application Nos.1038 of 2024 and 12718 of 2023 and other ten matters.

3. In our opinion, this is the bounded duty of the Registry of this Court to rigorously follow the orders of the Court subject to a direction by the Hon'ble Chief Justice in writing on Administrative side.
4. Mr. Manoj Bhandari, the learned senior counsel appearing for the High Court is seeking adjournment for filing an additional affidavit in compliance of the order dated 21st March 2024.
5. Post this matter on 10th July 2025.
