Defects have been removed.

Learned counsel for the petitioners submits that on the basis of a decision taken in the meeting by the Managing Director of the Rajasthan State Sriganganagar Sugar Mill Ltd., a decision has been taken not to purchase the sugar cane of the farmers who are having litigation relating to discharge of water through pipe-line allotted additionally to Sriganganagar Sugar Mill Ltd. and an illegal condition has been laid down that only if they withdraw the respective cases which are pending before the concerned Courts, the sugarcane would be purchased and the additional water would be released. This condition is contrary to public policy and would deprive them of their livelihood.

Issue notice of writ petition as well as stay application.

In the meanwhile, the decision taken the meeting dated 11.02.2019 by the Managing Director, Rajasthan State Sriganganagar Sugar Mills Ltd. shall remain stayed and the petitioners would be continued to allow additional water facility and the sugarcane crop shall be purchased by the respondents without forcing the petitioners to withdraw their cases pending in the Court.
