Order

15/07/2025

1. The present writ petition has been filed challenging the non-disposal of applications filed by the petitioner, raising the issue of limitation.

2. The main grievance of the petitioner is that after the private respondents filed the claim petitions before the Permanent Lok Adalat and upon receipt of notices, the petitioner filed applications in all the cases. However, these applications have not been disposed of for more than three years. Therefore, the petitioner has approached this Court.

3. His limited prayer is that the applications filed by him, raising the issue of limitation, be decided along with the main claim as expeditiously as possible so that the dispute may be brought to an end.

4. Taking into account the limited prayer of learned counsel for the petitioner, this Court is inclined to dispose of the present writ petition.

5. The writ petition is accordingly **disposed of**, and the learned Permanent Lok Adalat is directed to dispose of the main claim, taking into consideration the issue of limitation raised in the petitioner's application as part of the main claim.

6. The said exercise shall be completed within a period of one month from the date of receipt of a certified copy of this order.
