Order

18/03/2026

1. Present bunch of writ petitions have been filed seeking a direction to be issued to the respondents to undertake the acquisition proceedings as per the provisions of Right to Fair Compensation and Transparency in Land Acquisition Rehabilitation and Resettlement Act, 2013 (hereinafter referred to as the 'Act of 2013') and for quashing of proceedings initiated by the respondent-Company, pending before Court of Additional District Collector, Nagaur under Section 89 of the Rajasthan Land Revenue Act, 1956 (hereinafter referred to as the 'Act of 1956').

2. While considering the facts of said case, this Court found that the main prayer made in the writ petitions is for grant of compensation as per the provisions of Act of 2013. This Court vide order dated 26.02.2026 in **SB Civil Writ Petition No.4503/2026** directed the parties to remain present before the

District Collector, Nagaur on 09.03.2026 at 12.00 pm for settlement of amount of compensation, as per the provisions of Act of 2013. In pursuance of the said directions, the computation of compensation was presented before this Court, however, petitioners have refused to accept the same.

3. Learned counsel for the petitioners submitted that as a matter of fact the proceedings initiated under Section 89 of the Act of 1956 are not maintainable.

4. Learned counsel for the respondents submits that the application filed under Section 89 of the Act of 1956 for allotment of the land in question is pending consideration before the Additional District Collector, Nagaur, however, no objection has been filed by the petitioners so far and, therefore, their writ petitions are premature.

5. Learned counsel for the petitioner are not in a position to dispute the aforesaid submissions.

6. In view of the above, the present writ petitions are **dismissed** as premature. However, the petitioners are at liberty to submit their objection in the pending acquisition proceedings under the provisions of the Act of 1956. Since the issue of allotment of land relates to development project/project of larger importance, if such objections are filed, the same shall be decided expeditiously and in accordance with law.

7. Stay application and all pending application(s) are also **disposed of**.
