HON'BLE MR. JUSTICE ARUN MONGA

Order

11/09/2024

Given the nature of the controversies in these matters and to adjudicate the same more effectively, the Registrar (Judicial) shall take steps to create a table of the petitions by categorizing the cases as follows:

- I. Cases where the dispute arises from a Will.
- II. Cases where the dispute arises from a Will followed by an agreement to sell or a sale deed, or a combination of these.
- III. Cases where the FIR is registered based on impersonation, misrepresentation, or alleged illegal mutation entry.
- IV. Cases where the FIR is registered based on a commercial transaction
- V. Cases of money disputes or dishonor of cheque
- VI. Cases involving disputes arising from loan transactions.
- VII. Cases related to family property disputes where the complainant and the accused are relatives, and parallel civil proceedings are underway.

Needful be completed within four weeks. Once the table is prepared, a copy should be provided to the learned Public Prosecutor. The learned counsel for the petitioners may obtain an electronic copy by contacting the office of the learned Public Prosecutor.

Although this batch includes only 104 cases, multiple counsels have brought to my attention that their similar cases are not listed. Therefore, the Registrar (Judicial) must ensure that all quashing petitions filed and pending in the Registry, which fall under the aforementioned categories, are included in the table to be prepared, regardless of whether they are part of this batch or not.

Learned counsels may submit details of their cases to the Registrar (Judicial).

Post it on 16.10.2024.
