Order

I. A. No.01/2024 :

1. Matter comes up on an application for amendment in the reply.
2. It is stated in the application that due to typographical error in reply to the writ petition in ground (g) the term '*Not*' has inadvertently been mentioned and it has been stated that '*possession has not been taken*'.
3. Learned counsel for the respondents submits that as a matter of fact it has been a consistent stand of the respondent that after the acquisition the possession has been taken and, therefore, the amendment has been sought only to the extent of deletion of term '*Not*' as mentioned in the ground (g) of the reply.
4. Looking to the other part of the pleadings of the reply, this Court is satisfied that the term '*Not*' as mentioned in ground (g) was mentioned inadvertently, therefore, the amendment application is allowed.

5. The term '**Not**' as mentioned in reply to the writ petition in ground (g) is ordered to be deleted/removed.
6. The respondent-authority is allowed to delete/remove/cross the word '**Not**' in reply to the writ petition in ground (g), with blue ink and initial thereupon.
