Order

26/05/2026

1. Learned counsel for the respondent-University submits that in pursuance of the directions issued by this Court vide order dated 21.04.2026, the exercise of shifting the students to their new colleges has already been completed.
2. It is further contended that due information regarding the said shifting has already been communicated to the students, and the majority of them have joined their respective colleges.
3. During the course of arguments, learned counsel for the petitioners submitted that owing to the sudden change in the process of shifting of students, some students could not approach the respondent-University within the stipulated time. However, they are now willing to join their respective colleges in order to complete their studies. Therefore, learned counsel prays that such students may be permitted to appear in the forthcoming examinations; otherwise, their academic career would suffer irreparable prejudice.
4. Looking to the fact that students have been shifted under the directions of this Court, this Court deems it appropriate to grant liberty to such students to approach the respondent-University on or before 30.05.2026.
5. All students who approach the respondent-University on or before 30.05.2026 shall be permitted to join their respective colleges and shall also be allowed to appear in the forthcoming examinations.

6. It is made clear that no further extension of time to any of the students shall be granted.
7. List these matters in the month of July, 2026.
