Order

28/03/2026

1. The present criminal miscellaneous application has been filed on behalf of the appellant seeking extension of the period of interim suspension of sentence granted earlier by this Court.
2. It is submitted that the appellant was granted interim suspension of sentence for a period of 30 days vide order dated 25.02.2026. It is further submitted that the appellant's minor child is seriously ill and requires continued care and treatment at Jodhpur, and there is no other family member except his wife to take care of the child. It is also pointed out that the appellant has earlier been enlarged on interim bail on more than one occasion and has never misused the liberty so granted.

3. Considering the submissions made and the facts and circumstances of the case, without expressing any opinion on the merits of the case, this Court deems it just and proper to extend the period of interim suspension of sentence granted to the appellant.

4. Accordingly, the present criminal miscellaneous application is allowed. The period of interim suspension of sentence granted earlier is hereby extended for a further period of 30 (thirty) days from the date of expiry of the earlier order, on the same terms and conditions.
