**HON'BLE MR. JUSTICE FARJAND ALI**

**Order**

**05/05/2026**

1. There was a delay of some days in filing of the petition and for which an application under Section 5 of the Limitation Act was attached with the file.
2. On 29.04.2026, while making indulgence in the order under challenge, this Court had also considered the prayer for condonation of delay and then notices were issued and an ad interim order had been passed, however due to clerical mistake, the fact above has not been reflected in the order.
3. After tallying with the steno diary, record of the reader and jogging with the memory, this Court feels that there is an error in the order of not making mentioning about condonation of delay. Issuance of notice and passing of interim order was an outcome

post-consideration of condonation of delay, thus presumably the delay had been condoned.

4. In this view of the matter, the application under Section 5 of Limitation Act is disposed of.

5. The application filed for modification of the order dated 29.04.2026 is allowed. This order shall be treated as part and parcel of the order dated 29.04.2026.
