1. Present writ petition has been filed against notice dated 21.03.2026 (Annexure-5), whereby, pursuant to a survey, a change has been proposed / effected in the agricultural land of petitioner.
2. Learned counsel for petitioner submits that respondents have not followed the circular issued by the State of Rajasthan for undertaking the survey, particularly the procedure prescribed under notification dated 09.07.2021, wherein Standard Operating Procedure ("SOP") and guidelines for survey / re-survey operations have been laid down. It is submitted that said SOP has not been followed in the present case.
3. In these circumstances, it is stated, representations (Annexure-6) were submitted by petitioner; however, the same have not been considered by respondent authorities in accordance with law.
4. This Court is of the considered opinion that present writ petition against said notice is not maintainable and no interference is warranted at this pre-mature stage, as the petitioner is only apprehending dispossession on account of certain alleged irregularities in the settlement proceedings. More so, when the petitioner has already submitted a representation before the District Collector, Jodhpur, in pursuance of notice dated 21.03.2026 (Annexure-5), it would be appropriate for the petitioner to await the outcome of the said representation.
5. Being encountered with the view expressed by this Court, learned counsel for petitioner, after arguing the matter for some time, submitted that he does not wish to press the writ petition on

merits; however, he prayed for limited indulgence of this Court by directing the respondent-authorities to decide the representation submitted by petitioner within a stipulated time frame.

6. Looking to the limited submissions made, present writ petition is disposed of with directions to petitioner to file detailed representations specifying the provisions of law which, according to the petitioner, were required to be adhered as per notification dated 09.07.2021, within a period of 10 days from the date of receipt of certified copy of this order. The petitioner shall also be at liberty to raise objections, including objections with regard to jurisdiction, if any, in the said proceedings.

7. In case such representations are filed, learned District Collector, Jodhpur shall consider the matter in its entirety, in light of notification dated 09.07.2021 and pass a detailed speaking order after granting opportunity of hearing to petitioner, within a period of 90 days from the date of receipt of such representations.

8. It is made clear that this order shall not be construed as direction to the respondent-Authority to decide the representation of the petitioner in any manner, but only in accordance with law.

9. Accordingly, present writ petition is, hereby, **disposed of**.

10. Stay application and all other pending applications, if any, also stand disposed of.
