HON'BLE MR. JUSTICE FARJAND ALI

Order

27/04/2026

1. The present application seeking leave to appeal has been placed before this Court for consideration.
2. It is trite that the grant of leave to appeal is a condition precedent for the admission of an appeal and such leave is neither automatic nor a matter of right, but rests within the discretionary jurisdiction of the appellate Court. The purpose of seeking leave is to obtain the Court's permission to assail the impugned judgment before the appeal is formally entertained.
3. At the stage of consideration of leave, the Court is not expected to undertake a detailed examination of the merits of the case. The scope of scrutiny is confined to ascertaining whether the proposed appeal discloses arguable issues, raises substantial questions of law or fact, or otherwise

demonstrates sufficient cause warranting appellate interference.

4. In a prosecution launched against the respondents, the learned trial court after full-fledged trial acquitted the respondents.
5. Upon perusal of the judgment impugned, there appears reasonable grounds to permit the State to prefer an appeal against the acquittal of the accused-respondents from the penal provisions of the NDPS Act.
6. This Court is satisfied that the proposed challenge is neither frivolous nor vexatious and that the issues raised deserve consideration by the appellate Court.
7. Accordingly, the instant application seeking leave to appeal is allowed. The memo of leave to appeal shall be treated as an appeal and shall be registered as such.
8. Opportunity of hearing shall be afforded to the respondent at the time of hearing on the question of admission of the appeal.
9. Office is directed to proceed in accordance with law.
