Order

27/04/2026

1. Learned counsel has attempted to seek review of our order dated 18.04.2026 on the ground that in the caveat form, there is

some defect with regard to the cause-title of the parties, who were wanting to appear as caveators.

2. We find that there is no such error mentioning Nos.5 and 6 instead of earlier typed as Nos.2 and 3 would not make the difference, so far as the parties are concerned. Another point being raised is with regard to the mentioning of facts in paragraph Nos.3 and 4, which we find to be correct.

3. The observations made by us in the Division Bench that the aspect regarding recognition by Sports Council will have to be examined by the Single Bench hearing the writ petition, cannot be said to be in any manner error apparent on the face of the record, nor it can be said to be such for which review petition would lie. The scope of review being limited, would not extend to observations.

4. No case for review is made out.

5. Accordingly, the review petition is dismissed.
