1. By way of filing the present writ petition, the petitioner has prayed for the following reliefs:-

- (i) "Isuse an appropriate writ, order or direction directing the respondents to erect and lay the 33 KV high-tension overhead electricity transmission line strictly in accordance with the sanctioned and approved layout plan issued by the Public Works Department (PWD), without any unauthorized deviation;
- (ii) Restraining the respondents from continuing the laying/construction of the said 33 KV electricity line through the residential area of the petitioners;
- (iii) Direct the respondents to consider and decide the representation submitted by the villagers/petitioners in a fair, reasonable and time-bound manner;

(iv) Any other appropriate order or direction which this Hon'ble Court deems just and proper may kindly be passed in favour of the petitioner."

2. After arguing the matter for some time, learned counsel for the petitioners submitted that the petitioners would be satisfied if the District Collector, Didwana–Kuchaman City, is directed to consider and decide their representation regarding the alleged diversion of a 33 KV high-tension electricity transmission line.

3. Keeping in view the aforesaid limited prayer made at the Bar by learned counsel for the petitioners, this Court deems it just and proper to dispose of the present writ petition with liberty to the petitioners to submit a fresh representation before respondent No. 3, i.e., the District Collector, Didwana–Kuchaman, within a period of ten days from today, ventilating their grievances against the proposed erection/diversion of the 33 KV high-tension overhead electricity transmission line. In case such a representation is submitted, the District Collector, Didwana–Kuchaman shall consider and decide the same within a period of fifteen days from the date of its receipt, strictly in accordance with law.

4. It is made clear that the present direction to consider the representation has been issued only with a view to ensure expeditious redressal of the petitioners' grievances and shall not be construed as an expression on the merits of the case or as a direction to decide the representation in any particular manner.
