Order

S.B. Civil Writ Petition Nos. 8930/2026 & 8959/2026

1. Learned counsel for petitioners submits that petitioners had been regularly participating in suit proceedings and that their evidence was never closed. However, learned Board of Revenue, in its order dated 06.04.2026, has erroneously recorded a finding that evidence had been closed vide order-sheet dated 04.02.2026.

2. It is further contended that, after the matter was remanded by Revisional Court, learned SDO preponed the date of hearing and, despite the fact that notices had not been duly served in accordance with the provisions of Order V Rules 17 and 19 CPC, proceeded *ex parte* and passed preliminary decree.
3. It is also stated that a specific ground raised in memorandum of appeal filed before learned Revenue Appellate Authority was not considered at all, and appeal came to be dismissed in a cursory manner. Learned counsel for petitioners further submits that even order passed by the learned Board of Revenue is apparently erroneous, as the petitioners' contentions regarding defective service and wrongful passing of *ex parte* decree have not been taken into consideration.
4. Matter requires consideration.
5. Since the parties are already represented, service is, therefore, complete.
6. List these matters in second week of September, 2026.
7. In the meantime, and until further orders, parties to the litigation are directed to maintain status quo.

S.B. Civil Writ Petition No. 9371/2026

List the matter in the month of September, 2026 along with S.B.C.W.P. Nos. 8930/2026 & 8959/2026 & 9370/2026.
