02/05/2026

The petitioner appearing in person, submits that he has duly filled out the application form for the NEET (UG)-2026 examination. It is contended that as per the latest guidelines issued by the National Testing Agency (NTA) dated 05.01.2026,

the Aadhaar Card is required to be updated to streamline the process for NEET (UG)-2026.

The petitioner further submits that the examination is scheduled to be held tomorrow; however, due to certain technical issues his biometric details have not been updated in his Aadhaar Card. Consequently, he is at risk of being denied permission to appear in the examination. It is further submitted that the petitioner had appeared in the NEET (UG)-2025 examination and at that relevant time, there was no requirement for updation of the Aadhaar Card, in such circumstances, the National Testing Agency (NTA) had permitted the petitioner to appear in the said examination.

It is, therefore, prayed that he be permitted to appear in NEET (UG)-2026 upon furnishing an alternative valid identity proof.

The matter requires consideration.

Issue notice to the respondents, returnable within a period of four weeks.

In the meanwhile, considering the urgency of the matter, the petitioner is permitted to appear in the NEET (UG)-2026 examination upon producing an alternative identity proof, namely, his Voter ID Card to the concerned authorities.
