It is contended by learned counsel for the petitioner that the
petitioner is duly authorised person and empowered by the
respondents for registration of vehicles and has been functioning
pursuant to such authorisation.

Learned counsel further submits that, as per the communication dated 10.09.2025 (Annexure-4) issued by the District Transport Officer, it was informed that due to certain technical glitches, final approval for issuance of the Registration Certificate (RC) could not be granted. It is submitted that the said communication is still pending consideration before the competent authority and, therefore, the petitioner is presently not in a position to issue the final RCs. It is therefore prayed that respondent No.3 may be directed to take an appropriate decision on the aforesaid communication.

In view of the aforesaid limited prayer of the petitioner, the present writ petition is disposed of with a direction to the petitioner to submit a detailed representation along with all relevant documents before respondent No.3 - Technical Director within a period of ten days from today. Upon receipt of such representation, respondent No.3 - Technical Director shall consider and decide the same by passing a reasoned and speaking order within a period of four weeks thereafter, strictly in accordance with law.

Stay application and all other pending applications, if any, also stand disposed of.
